

# Wafer Products Packing Label Change Notice

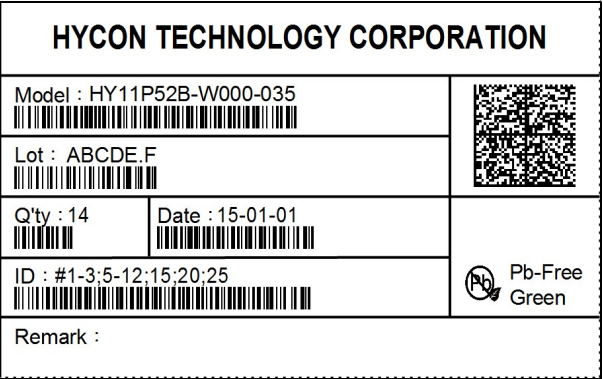

**Topic :** The reason of packing label change

In order to improve management and traceability, HYCON Technology Corporation upgrade label system and introduce 1D and 2D bar code.

**Description :** Label change description and identification method

1. Original label is with HYCON logo: **HYCON** . New label is directly printed company name 「**HYCON TECHNOLOGY CORPORATION**」, and includes 1D and 2D barcode.

Example:

Original Label	New Label
	

2. New label was launched since 2015 Q4. Currently, both labels are standard HYCON formats and the change of label shall not affect the function and specification of the products. Please still order products according to ordering information in data sheet.

## Additional information :

Regarding to above label change notice, if there is any questions please feel free to contact us via distributors.
